

HAFIZ DAOUD

TEL AVIV, TEL: 054-6496097
EMAIL: HAFIZ.ALSIKH@GMAIL.COM

DESIRED POSITION:

While my employment experience does not reflect the current position I am seeking, it does provide an insight into my work ethic. I am a trustworthy, detail oriented and loyal employee who takes work very seriously. I have completed my studies in software quality assurance and would like an opportunity to work in the field I have studied.

SKILLS

- ✓ Experience in writing test documents (STP, STD, STR).
- ✓ Knowledge of tests in the Web and Mobile environment.
- ✓ SQL knowledge at the JOIN level using SQL server and software.
- ✓ Experience working in an Agile and Waterfall environment.
- ✓ Experience with test management tools: Jira, Testrail, Confluence.
- ✓ I have a lot of motivation to learn and develop.
- ✓ Ability to work under pressure and multiple tasks at the same time.
- ✓ Ability to work in a team and work alone.
- ✓ Self-learning ability at a high level.
